How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and con-stipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassi-tude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy. NEVER BEEN DISAPPOINTED,
